Employment History and Union Experience

I started in 1987 with Air BC. My current position with Jazz is in Vancouver STOC. I have been actively involved as a representative for Jazz members since 2002. First as Vice Chair, District Chair, Vice President and Bargaining Representative. I am currently Chair of the Board of Trustees of the local. Although I enjoyed all other roles, I felt I was best for the membership in my role as Vice President and therefore once again running for the position of Vice president.
