Article 10 – No Discrimination, Harassment or Retaliation

10:01 The Employer and the Union agree that no discrimination, harassment or sexual harassment in employment shall be practiced by either party or their representatives and that no employee shall be subject to retaliation as a result of making a complaint of discrimination, harassment or sexual harassment. The prohibited grounds of discrimination are race, national or ethnic origin, colour, religion, age, sex, sexual orientation, marital status, family status, disability and conviction for which a pardon has not been granted, as set out in the Canadian Human Rights Act (CHRA). The provisions of this Agreement shall be interpreted and applied in a manner consistent with the CHRA and its regulations, as amended.

10:02 “Harassment” means a course of vexatious comments or conduct that is known or ought to be known to be unwelcome that denies an employee dignity and respect on one or more of the grounds set out in the Canadian Human Rights Act and that results in a hostile work environment, impairs the employee’s work performance and/or adversely affects the employee’s relations in the workplace. Harassment may take many forms: verbal,

physical or visual. It may involve a threat or an implied threat or be perceived as a condition of employment. Workplace harassment includes, but is not limited to the following examples:

- (a) Unwelcome remarks, jokes, innuendos, gestures, or taunting about a person's body, disability, gender, racial or ethnic background, colour, place of birth, sexual orientation, citizenship or ancestry;
- (b) Objectionable conduct, comment or display made on either a one-time or continuous basis that is intended to bully, demean, belittle, or cause humiliation or embarrassment;
- (c) Posting or circulation of visuals of a sexual, racial or otherwise offensive nature such as pornographic pictures, cartoons or graffiti;
- (d) Refusal to work, converse or share facilities with another employee based on prohibited grounds (CHRA);
- (e) Unwanted sexual solicitation or advances and physical conduct such as touching, patting, or pinching;
- (f) Backlash or retaliation for the lodging of a complaint or participation in an investigation.

- 10:03 Properly discharged management responsibilities, such as the assignment of work tasks, employee coaching, the imposition of discipline or any conduct that does not undermine the dignity of the individual is not harassment.
- 10:04 The Employer and the Union agree that discrimination, harassment and sexual harassment are serious misconduct that, if proven, may result in disciplinary action. In addition, the pursuit of frivolous allegations through this procedure has a detrimental effect on the spirit and intent for which this policy was rightfully developed and may result in disciplinary action by the Company.

COMPLAINT

- 10:05 If an employee believes that he or she has been the subject of discrimination, harassment or sexual harassment, the employee should tell the person engaging in discrimination or harassment that his or her conduct is offensive and unwelcome. If the employee is reluctant to confront the person or if having done so, the offensive conduct continues, the employee is encouraged to promptly report the alleged misconduct to the Employer and the UNIFOR Human Rights Coordinator or designate. The complainant should document the incident, complete with times, dates, location, witnesses and details of the incident.

INVESTIGATION

- 10:06 All complaints will be investigated promptly. Whenever possible, the investigation will be completed within fifteen (15) business days from the date the complaint was presented to the Employer. The investigation will include interviewing the alleged complainant, respondent, witnesses and other persons who appear to have relevant information. The person alleged to have engaged in discrimination or harassment will be provided the particulars of the complaint and will be given the opportunity to respond. The UNIFOR Human Rights Coordinator or designate must be present at any investigation meeting involving a member of the bargaining.
- 10:07 The Employer may implement interim measures during the investigation the Employer considers necessary and appropriate to enable the employee who has made the complaint to continue to perform his or her duties without discrimination or harassment.
- 10:08 Within 10 business days of the conclusion of the investigation, the individual designated by the Employer to investigate the complaint will deliver a report to the Employer setting out his or her findings. The investigator will not express any opinion as to whether or not the facts as found constitute discrimination, harassment or sexual harassment. The Employer will meet with the

UNIFOR's Human Rights Coordinator or designate to review the report and to receive any representations from the UNIFOR Human Rights Coordinator or designate. The Employer will provide the UNIFOR Human Rights Coordinator or designate a copy of the report.

- 10:09 The distribution of the investigator's report will be limited to representatives of the Employer and the Union who have been involved in the investigation or who are involved in any subsequent proceedings related to the matters investigated. The Employer and the Union will maintain, in confidence, information received during the investigation including the investigator's report, subject to any disclosure that may be required in order for the Employer or the Union to fulfill their respective responsibilities and/or as may be required in any subsequent arbitration or hearing.

COMPLAINT RESOLUTION

- 10:10 Within five (5) days of the receipt of the investigator's report, the Employer will inform the UNIFOR Human Rights Coordinator, in writing, of its determination of whether or not harassment or discrimination has been established, and of any action the Employer intends to take. The complainant will be informed of the determination and any remedial action that may affect the complainant. Any bargaining unit employee who is the subject of discipline or remedial action will

be informed, in writing, with reasons, and a copy of the decision will be provided to the UNIFOR Human Rights Coordinator.

- 10:11 Any complaint not resolved through the investigation process may be dealt with through the grievance procedure.
- 10:12 Nothing in this Article shall prevent an employee from seeking redress under the Canadian Human Rights Act with respect to complaints of discrimination, harassment, or sexual harassment.
- 10:13 Any discipline imposed on an employee who is not a member of the bargaining unit shall not be subject to the grievance and arbitration procedure.

GENERAL

- 10:14 In collaboration with the UNIFOR Human Rights Coordinator, the Employer has developed and will continue to make available, to all employees, an online training course aimed at raising awareness of and discouraging workplace discrimination and harassment.
- 10:15 The Employer and the Union agree to consult in the event of any serious allegation that an employee's rights have been adversely affected as a result of discrimination or harassment on a ground other than one of the prohibited grounds in the Canadian Human Rights Act.

Article 11 – Accommodation & Employment Equity

- 11:01 Where employment barriers related to persons in designated groups have been identified, the Employer and Union in accordance with the provisions of the Employment Equity Act will consult concerning measures that may be taken to minimize any adverse impact. Employee seniority rights under this Collective Agreement are not considered employment barriers.
- 11:02 The Employer and Union acknowledge and affirm their commitment to proactively consult and cooperate in the area of workplace accommodation.

Article 12 - Management/Union Consultation Committee

- 12:01 The Employer and the Union acknowledge the mutual benefits of joint consultation and agree to maintain a Management/Union Consultation Committee which will have objective meaningful consultation on matters of mutual interest, future oriented initiatives and strategic direction, except issues that are the subject of a grievance. The Committee shall meet at least every three (3) months, unless the Employer and the Union agree otherwise.
- 12:02 Representatives of the Union and representatives of the Employer shall meet, at minimum, once every month.

Article 13 - Grievance and Arbitration Procedure

13:01 The parties agree that discussions should occur between employees, Union representatives and Employer representatives when problems or differences arise in an attempt to resolve problems or differences. This grievance procedure is not intended to preclude any discussion between employees, Union representatives and Employer representatives.

Informal Stage

13:02 If a difference arises between the Employer and employee(s), an informal meeting shall take place between the parties in the dispute, at the workplace. The Employee shall have the right to have a Union representative present at the meeting. The meeting will be held in private. Where discussions on problems or differences occur, the time limits in Clause 13:10 will not commence until two (2) business days after the beginning of these discussions.

Formal Stage

13:03 If any dispute arises between:

- (a) the Employer and an employee(s), or
- (b) the Employer and the Union

and the difference cannot be resolved at the informal meeting outlined in Clause 13:02, concerning the interpretation, application, operation or any alleged violation of this agreement, the employee(s) or the Union shall have the right to file a grievance. Grievances must have the approval and support of the Union.

13:04 The Employer shall have the right to file a grievance concerning the interpretation, application, operation or any alleged violation of the agreement. The Employer grievance shall be formally discussed with the Union for the purpose of resolution. If the matter is not thus settled, then it may proceed to arbitration.

13:05 The time limits set out in the Grievance and Arbitration procedures are mandatory and not directory. If the time limits set out are not complied with, then the grievance will be considered as being abandoned, unless the parties have mutually agreed, in writing, to extend the time limits or unless the opposing party is in default of the time limits.

13:06 A grievance initiated by the Union, or a grievance involving the termination of employment, suspension greater than three (3) calendar days, job posting, safety or health or sexual harassment, shall be processed at Stage 2 in accordance with Clause 13:11.

- 13:07 Employee(s) shall be advised of their right to be represented at any step of the grievance procedure. The Employee(s) and the Union representative shall be given leave with regular pay to attend such meetings. When an employee has asked or is obliged to be represented by the Union in relation to the presentation of a grievance and a representative of the Union wishes to discuss the grievance with that employee, the employee and the representative will each be given reasonable leave without loss of regular wages for this purpose.
- 13:08 The Employer shall designate a representative at each level in the grievance procedure and shall inform each employee of the title of the person so designated. This information shall be communicated to employees by means of notices posted by the Employer in places where such notices are most likely to come to the attention of the employees to whom this grievance procedure applies.
- 13:09 Stage 1, described in Clause 13:10, may be bypassed by mutual written agreement of both parties.
- 13:10 [Stage 1.] Within twenty-five (25) business days of the Employee(s) becoming aware of the matter giving rise to the grievance, the Employee(s) or the Union may submit a written grievance to the Employer representative, including the details of the grievance, the Article(s) of the agreement

considered to have been violated and the redress requested. Within ten (10) business days of receipt of the grievance, the Employer and the Union shall schedule a date for a grievance meeting between the responsible manager, the Union representative and the Employee(s). The responsible manager shall give a written response to the Employee(s) and the Union representative within ten (10) business days of the date of the grievance meeting. If, within the ten (10) business day period above, a date for the grievance meeting has not been scheduled, or if the written response is not given within ten (10) business days of the date of the grievance meeting, the Union may refer the grievance on to Stage 2.

- 13:11 [Stage 2.] If the grievance is not settled to the grievor's satisfaction at Stage 1, the grievor may transmit the grievance to Stage 2 within ten business (10) days after receiving the Employer's response at Stage 1. Within ten (10) business days of the receipt of grievance transmittal form at Step 2, the Employer and the Union shall schedule a date for a grievance meeting between the manager occupying a higher rated position than that of the responsible manager who met at Stage 1, the Union representative and the Employee(s). The manager shall give a written response to the Employee(s) and the Union Representative within ten (10) business days of the date of the grievance meeting. If, within the ten (10) business day period above, a date for the grievance meeting has

not been scheduled, or if a written response is not given within ten (10) business days of the date of the grievance meeting, the Union may refer the grievance on to arbitration.

- 13:12 If the grievance is not settled at Stage 2, the Union may refer the grievance to arbitration within twenty-five (25) business days of receiving the Employer's response at Stage 2. The parties agree that grievances will be arbitrated under the Expedited Arbitration Process in Appendix K, subject to each party having the right to refer no more than one grievance to formal arbitration per contract year. A party may exercise this right to follow the formal arbitration procedure by giving the other notice in writing of its intention to do so within the time stipulated for referring the grievance to arbitration. After such notice is given, the parties will attempt to agree on the selection of a single arbitrator to hear the grievance and the remaining provisions of Article 13 will apply.
- 13:13 In the event that the parties fail to agree on the choice of an arbitrator, they shall forthwith request the Minister of Labour to appoint an arbitrator.
- 13:14 The arbitrator shall have all the powers vested in it by the Canada Labour Code and the collective agreement, including in the case of discharge or discipline, the power to substitute for the discharge or discipline such other penalties that the arbitrator deems just and reasonable in

the circumstances, including compensation for lost income and benefits. The arbitrator shall render his or her award within a reasonable period.

- 13:15 The decision of the arbitrator shall be final and binding.
- 13:16 The Employer and the Union shall equally share the cost of the arbitrator.
- 13:17 The arbitrator shall not change, modify or alter any of the terms of the collective agreement.

Article 14 – Employee Status

14:01 Probation

- (a) All newly hired employees shall be considered probationary employees.
- (b) All employees shall complete a six (6) month probationary period, except for those employees whose appointments are contingent on the successful completion of a mandated training program required for the position. In such cases, the probationary period will commence after the successful completion of the training program and will last for a period of six (6) months. Upon mutual consent of

the parties, the probationary periods may be extended for an additional reasonable period of time.

- (c) A probationary employee shall have at least one (1) performance evaluation completed at approximately the midpoint of the probationary period (or sooner, if warranted).
- (d) When a probationary employee is terminated or disciplined, the Employer shall provide reasons in writing to the employee, with a copy to the Union representative. Such an employee may access the grievance procedure, including arbitration. If the grievance is presented to an arbitrator, the onus is on the Employer to establish the reasons given to the employee in the letter of discipline or discharge. If the arbitrator finds there was just cause for the discipline or the discharge, s/he may not substitute a lesser penalty.

- 15:01 (a) (i) For employees who were in the bargaining unit on July 31, 1997 (date of CLRB Certificate) and who transferred from Transport Canada on December 2, 1996, seniority shall mean length of service in the bargaining unit and length of service with the federal government prior to December 2, 1996.
- (ii) For the purpose of clause 15:01(a)(i), a term employee who worked for Transport Canada in 1996 and who worked for the GTAA in 1997 will be deemed to have been in the bargaining unit on July 31, 1997 (date of CLRB Certificate) and to have transferred from Transport Canada on December 2, 1996, provided there was no break in service in excess of three (3) months.
- (iii) For employees hired after December 2, 1996, seniority means length of service in the bargaining unit.
- 15:02 (a) The seniority of a seasonal employee shall be determined on a prorated basis in accordance with

the proportion of the year for which the employee is scheduled.

- (b) The seniority of a part-time employee shall be determined on a prorated basis in accordance with the proportion of hours scheduled to work relative to a full time schedule.

15:03 When two or more employees in the bargaining unit commence employment on the same day, seniority shall be established by placing the names of the concerned employees on paper in a container and then selected at random in the presence of the Employer and a Union Representative.

15:04 If an employee is appointed to a permanent position outside of the bargaining unit, his/her bargaining unit employment will terminate.

15:05 Employees temporarily assigned to a position outside of the bargaining unit will continue to accrue seniority for a period of up to 90 days. Employees will retain their seniority, including seniority of up to 90 days accruing during the assignment. The temporary assignment will not exceed 12 months, except with the Union's consent, which will not be unreasonably withheld. In no case will a temporary assignment exceed 18 months, nor will an employee be permitted to act in assignments outside of

the bargaining unit for a total of more than 18 months during the term of the collective agreement.

- 15:06 No employee shall be transferred to a position outside the bargaining unit without his or her consent.

- 15:09 An employee who resigns his/her position and within sixty (60) days is re-employed within the bargaining unit shall be granted leave of absence without pay covering

those days absent and shall retain all previous rights in relation to seniority contained in this Agreement. Such an employee shall be required to re-qualify for benefit and pension participation, if applicable.

- 15:10 Seniority will continue to accrue during the period of any authorized leave of absence. The parties agree that this Article deals with the accrual of seniority only and does not alter or affect the provisions of the Collective Agreement related to the calculation of service or continuous service for the purpose of vacation leave, sick leave, severance pay, pay increments or the accrual of service under the terms of the Defined Benefit Plan or the Defined Contribution Plan.

Article 16 - Hours of Work

- 16:01 For the purposes of this Agreement:
- (a) "day" means a twenty-four (24) hour period commencing at 00:01 hours.
 - (b) "week" means a period of seven (7) consecutive days commencing at 00:01 hours Monday morning and ending at 24:00 hours the following Sunday night.
- 16:02 No provision of this Agreement shall be construed as a guarantee of minimum or maximum hours of work in the day or of the number of days in the week or of a fixed schedule of work.

16:03 The Employer shall schedule the hours of work and establish shift schedules for all employees. The standard and extended schedules for full time employees are as follows:

(a) Standard Schedule

i) The standard schedule is work customarily performed between the hours of 06:00 and 18:00 Monday to Friday inclusive.

ii) Subject to the provisions of Article 4, the Employer shall schedule the hours of work and establish shift schedules for all employees. The standard and extended schedules for full time employees are as follows:

The hours of work for employees working a standard schedule, exclusive of a daily one-half ($\frac{1}{2}$) hour meal period, shall normally be eight (8) hours per day and forty (40) hours per week for the General Labour and General Services classifications as defined in Appendix "A" attached hereto, and seven and one-half ($7 \frac{1}{2}$) hours per day and thirty-seven and one-half ($37 \frac{1}{2}$) hours per week for all other classifications.

(b) Extended Schedules

Hours of work established for employees who work in extended operations, that is coverage on weekends and/or more than one shift per day, shall not be less than the daily hours specified in Clause 16:03(a)(ii), and shall be as posted on the shift schedule and shall average the weekly hours specified in Clause 16:03(a)(ii) over a maximum of a 64 day cycle. A 91 day cycle can be implemented with mutual agreement of the Union and the Employer.

16:04 Pre-scheduling

The Employer will establish annual work schedules, with the exception of Airfield Maintenance who will have two six month schedules annually.

The Manager will confirm the requirements of the work schedule, including headcount, coverage and desired staffing levels for vacation bidding purposes.

If the manager and/or the majority of the unit request to change the schedule, the scheduling development process, as outlined in Appendix 'G', will commence. Otherwise, the current schedule will be retained.

Once the schedule has been established, the annual vacation bidding process will commence, as per Article 23.

Balancing for Pre-Scheduling

Once the annual vacation bidding process has taken place, the Manager, if required, will balance the schedule, and shall make every reasonable effort to:

1. Not to schedule the commencement of a shift within twelve (12) hours of the completion of the employee's previous shift; and
2. Not to schedule more than seven (7) consecutive days of work unless by mutual agreement of the employee(s) affected; and
3. To schedule at least two (2) consecutive days of rest at a time. Such two (2) consecutive days of rest may be separated by a designated paid holiday, provided the holiday is not worked; and
4. To avoid excessive fluctuations in hours of work in a cycle, which may include a combination of any two (2) types of shifts (Day / Evening / Midnight), but not all three (3) on a five (5) day cycle; and
5. Employees shall not be required to work split shifts; and
6. Schedules for new shifts and changes to existing shift patterns shall be implemented using a forward-rotation of shifts (for example, these shifts

shall rotate following a day-evening-midnight sequence); and

7. Balancing employee schedules will respect planned days off and prior leave requests while minimizing overtime by switching between shift start times on the same day. No forward balance shall occur on the date before an approved vacation day, and no reverse balance shall occur on the day after an approved vacation day; and
8. Once vacation bids have taken place, the Manager will endeavor to have the schedule balanced on an equitable distribution percentage of all scheduled shifts, and posted by December 1st.

16:05 Post-Scheduling – Balancing of Schedules_

When the Employer is required to adjust a schedule to meet preferred staffing levels due to a deviation from the schedule which was not foreseen at the time the schedule was finalized, the Employer will provide the Unit with the following options:

Long Term Vacancies

Should a vacancy exist with an anticipated duration of at least 3 months, if feasible, the Employer will:

1. Provide an opportunity to eligible employees

to assume the vacating employee's place in the schedule. The most senior employee who volunteers will be selected.

2. If there are no volunteers, the Manager will assign the most eligible, junior employee to the vacating employee's place in the schedule.

Short Term Vacancies

If the option for changing to a vacating employee's place in the schedule is not feasible in a particular situation or the vacancy is for a short term, the following process will be followed:

1. Same Day Balance - Employees in the particular unit will have the opportunity to voluntary balance for a shift vacancy on the same day. The most senior employee who volunteers will be awarded the vacancy.
2. Range of Date Balance - The shift will be made available to eligible employees, within seven (7) days before or seven (7) days after the required shift, with a response deadline date. The most senior employee who volunteers will be awarded the vacancy.
3. If steps 1 and 2 do not fill the shift, Management will balance the most junior, eligible employee on the day required.

4. If the most junior on shift is a result of a shift trade, the next junior eligible employee will be balanced.

This article is not intended to alter the provisions of Article 31.

Short Notice Shift Change

Where notice is not provided to the employee within one (1) week, the employee will be paid for the first shift worked on the revised schedule at a rate of time and one half (1 ½), or at the rate of double the employee's regular rate after the first four (4) hours of overtime provided that the following day is the employee's scheduled work day. Subsequent shifts worked on the revised schedule shall be paid for at straight time.

16:06 Shift Trades

Shift trades will be permitted with the following limitations:

1. The following limitations will apply with respect to proficiencies required by a position (exclusive of vacation bidding):
 - a. The employee must work one (1) scheduled Day and Evening Shift per calendar month,
 - b. The employee must work one (1) midnight shift per calendar month where they are scheduled a bank of midnight shifts.

For the purposes of (a) and (b) above, if a cycle of a particular shift bridges between two months, the cycle will be considered to be part of the month in which the majority of the days fall.

1. An employee cannot be off work for more than seven (7) consecutive weeks at any one time through a combination of vacation and shift trading.
2. Payback for shift trades cannot result in an employee working more than seven (7) consecutive days.
3. Payback for shift trades must take place within a ninety (90) day rolling window.
4. Employees cannot shift trade out of pre-scheduled training sessions.

If any abuse with respect to shift trades is noted, individuals will be dealt with, which may include suspending shift trading privileges.

16:07 Partial Shift Trades

Partial Shift Trades will be permitted with the following limitations:

1. A partial trade cannot be used to circumvent the restriction in place around minimum time between shifts (ie. A partial trade cannot be used to facilitate a short turn);

2. Paybacks must be completed hour for hour and within the 90 day active schedule;
3. A partial trade must occur at the beginning or end of a shift only, and the minimum amount of time for a partial shift trade is one half hour (1/2 hrs), and the maximum amount of time is 4 hours.

16:08 Third Party Trades

Third Party Shift Trades will be permitted.

16:09 Double Shifts

Double 12-hour shifts are not permitted.

For employees on a 5X3 rotation working 8.58 hours a day, double shifts will only be permitted on the following basis:

- (a) There is a two-shift rest period between the double shift and the employee's next scheduled shift (e.g., 17.16 hours for those on 5x3 rotation). The employee will be noted as unavailable for overtime during these two shifts.
- (b) Only one double shift will be permitted per eight (8) day work cycle by way of shift trading. One additional double shift is permitted per cycle

through the overtime process, which must also meet the two-shift rest period referred to above.

- (c) For the period of overlap during a double shift (35 minutes) the employee must make an election at the time of the shift trade initiation of taking this time without pay or covering it with earned leave credits.

For shifts other than the 5X3 rotation or twelve (12) hour shifts which are created during the life of the agreement, the employer will provide parameters pertaining to double shifts.

16:10 Meal Breaks

- (a) Meal breaks may be staggered for employees. Subject to operational requirements, the Employer will endeavour to schedule meal breaks at times convenient to the employees and as close to the midpoint of the shift as practicable.
- (b) Certain continuous operations or work requirements may require some employees being on the job for the full shift from time to time. In these operations, where employees are required by the Employer to remain on the job for the full shift, such employees will be paid for one-half hour meal break, which shall be scheduled as close to the mid-point of

the shift as possible. In these circumstances only, the one-half hour meal break will be subject to the applicable overtime provisions of this Agreement or the employee shall leave forty-five (45) minutes prior to the end of their scheduled shift without loss of regularly scheduled (non-premium) wages. This clause shall not be construed as providing a paid lunch to any particular shift(s).

- (c) Certain continuous operations or work requirements may require some employees to actively remain on the job for the full shift on a regularly scheduled basis. In these circumstances, the one-half (½) hour meal break will be paid and considered as part of the employee's consecutive hours of work. In these circumstances, the employee(s) shall complete their regularly scheduled shift.

16:11 Rest Periods

The Employer will provide two (2) rest periods of fifteen (15) minutes each per full working day for all employees. For employees whose shifts extend beyond ten (10) hours, an employee shall be entitled to one (1) additional fifteen (15) minute rest period. Rest Periods shall be scheduled at approximately the midpoint for each ½ shift worked between meal breaks, except during snow storms &/or emergency

situations rest breaks may be scheduled after the midpoint of the half shift.

16:12 Days of Rest

Where an employee's scheduled shift does not commence and end on the same day, such shift shall be deemed for all purposes to have been entirely worked:

- a) on the day it commenced where half or more of the hours worked fall on that day; or
- b) on the day it terminates where half or more of the hours worked fall on that day.

Accordingly, the first day of rest will be deemed to start immediately after midnight of the calendar day on which the employee worked or is deemed to have worked his or her last scheduled shift, and the second day of rest will start immediately after midnight of the employee's first day of rest, or immediately after midnight of an intervening designated paid holiday if days of rest are separated thereby.

16:14 Compressed Hours of Work

- a) A compressed hours of work schedule is a schedule which establishes normal schedule daily hours in excess of those prescribed in clause 16:03(a)(ii).
- b) Upon approval from the Employer, employees may convert to compressed hours of work, provided:
 - (i) No shift in excess of twelve (12) hours (exclusive of a one-half (½) hour meal break) is involved;
 - (ii) The schedule does not result in additional overtime work or payment by reason of such variation, unless the parties agree otherwise; and
 - (iii) The hours of work are averaged over the life of the compressed work schedule not to exceed fifty-six (56) calendar days unless the parties otherwise agree.
In considering a request for a compressed work week, the Employer will consider its operational requirements in the employee's work area, as well as customer service impact and hold discussions with the employee(s) and the Union.

Approval for a compressed work week may be rescinded permanently or from time to time if required by a change affecting operational requirements or by customer service impacts.

- (c) Starting and finishing times, meal breaks and rest periods shall be determined according to operational requirements and the daily hours of work shall be consecutive.

16:15 Wash-up Time

 - (i) time and one-half (1 ½) the employee's

regular rate, except as provided for in Clause 17:02(a)(ii) or (iii) below.

- 42:02 Where an employee expresses concern for his/her safety, the Employer will ensure safe access to work during picketing involving other employees/employers on GTAA premises.
- 42:03 If employees are prevented from performing their duties because of a strike or lock-out elsewhere than on the premises of the GTAA, the employees shall report the matter to the Employer, and the Employer will make reasonable efforts to ensure that such employees are employed elsewhere, if possible, so that they may receive their regular pay and benefits to which they are entitled.

Article 43 - Bargaining Unit Work

- 43:01 The Employer agrees that managerial staff will not perform work normally done by the bargaining unit, except in cases of emergencies, training, instruction or inclement weather that threatens the operational requirements of the airport. It is agreed and understood that such situations will not result in a staff reduction

or reduction in normal hours of work or a refusal to call overtime where the use of overtime would be practical.

- 43:02 Unless otherwise agreed, the use of volunteers shall not be expanded beyond the type of roles for which volunteers were utilized prior to December 2, 1996 to include work which normally has been performed by bargaining unit personnel if the use of such volunteers would directly result in the layoff of bargaining unit employees.

Article 44 - Work Away

- 44:01 When an employee is required to perform work at other than his normal work place, and the employee's status is such that the employee is not entitled to claim expenses for lodging and meals, the Employer shall provide transportation, or mileage allowance in lieu, for travel between the employee's normal workplace and any other work place(s).

Article 45 – Contracting Out

- 45:01 The Employer shall be permitted to contract out bargaining unit work, provided it does not result in the layoff, or the reduction in regular (non-premium) hours, of the employees in the affected classification(s) who have traditionally performed the work being contracted out. The Employer will not contract out work in a classification

where an employee in the classification is on layoff and eligible for recall under Article 26.

45:02 The Employer will provide the Union with reasonable notice of any decision to contract out any work of the bargaining unit. Upon request of the Union and where practical, the Employer will meet with the Union to discuss any proposal that the Union may want to make that may allow the work to be performed by the bargaining unit in a satisfactory and cost efficient manner. The Employer reserves the right to proceed with the planned contracting out consistent with the provisions of 45:01.

45:03 Article 45:02 does not apply where the decision to contract out is made in response to an emergency or other urgent operational condition.

Article 46 - General Provisions

46:01 All past practices, directives, side agreements, memoranda of agreement(s) or understanding(s) (written or oral, express or implied) and benefits that may have been applicable prior to December 2, 1996 are deemed thereafter to be null and void unless otherwise specifically prescribed by the provisions of this collective agreement.

46:02 The Employer agrees to continue to provide parking at no cost to the employee during the life of this collective

agreement at a location(s) designated by the Employer. The Employer shall endeavour to provide parking at the employee's work location.

46:03 The Employer will provide all tools and equipment required by the employee to carry out his duties, and shall replace tools broken through normal use, at no cost to the employee.

Article 47 - Agreement Re-Opener

MEMORANDUM OF UNDERSTANDING

And

UNIFOR
(Hereinafter referred to as the “Union”)

The parties hereto agree that in order to address the potential Pay Equity issue raised through the collective bargaining process, this Memorandum of Understanding details how the Employer will address the outcome of potential Pay Equity impact if agreed to (or legislated) between Treasury Board and the Union.

Should there be a Pay Equity adjustment for CR, SCY and/or LS classifications, the Employer will recognize, by way of a one time lump sum payment, the impact of adjustments made to these classifications subsequent to December 2, 1996 less the total annual costs for each respective year associated with collective agreement increases that have taken place for each of these years and salary range adjustments.

Adjustments will be made to any permanent incumbent Clerical (CR) or Secretarial (SCY) or Library Science (LS) classification who is employed with the Employer upon the effective date of the Treasury Board decision. Further, this will apply to any employee who formerly, during this period, occupied a permanent position of a CR, SCY or LS classification.

It is agreed that the Vice President, People & Culture and a representative of the Union will meet to identify and determine the periods of service associated with these potential payments.

Note: This is included for historical purposes only, and makes reference to GTAA employees (former Transport Canada personnel) in the aforementioned classification groups which have been replaced by Band levels in the new Job Evaluation Plan.

All time limits referred to herein may be adjusted by mutual agreement.

The parties agree that the application of this memorandum is only relevant and only pertains to employees who filed appeals under Section 7 of this Memorandum and who are currently working in the jobs in which they were working when the appeals were filed. With the exception of the foregoing all the provisions of this Memorandum shall be deemed to have been exhausted.

The third party will have appropriate expertise in the field of job classification and evaluation system. The parties shall share the costs of the third party equally.

7. The parties agree that if the position of a migrating employee is slotted in a band and step which provides for a lower rate of pay, his/her pay rate and position will be frozen and he/she will continue to be paid at his/her current pay rate. However, he/she will receive bi-weekly lump sum payments equivalent to the general economic increases. Such lump sum payments shall be subject to applicable taxes and shall not be included in the calculation of health benefits or pension contributions. The employee shall be rate protected until his/her classification's maximum exceeds his/her rate of pay.

All time limits referred to herein may be adjusted by mutual agreement.

At least six months prior to the expiration of the Collective

Agreement, the parties will review the job evaluation plan/process in accordance with the following:

- The process will be facilitated by a mutually agreed consultant;
- Job levels, bands and number of bands will be considered;
- Any applicable memorandums will also be reviewed;
- Recommendations will be prepared for the next round of collective bargaining;
- Costs of the process will be paid by the Employer.

Job Evaluation

1. The Employer will establish a Job Evaluation Committee (JEC) composed of at least three (3) representatives from People & Culture (Business Partners and Employee Services). The JEC will not include a Business Partner responsible for the client group of the disputed position.
2. The Committee will be responsible for only considering requests where the Union alleges that there has been a significant change in a position since its latest rating or

appeal, if any, which is sufficient to move the position to a higher band level.

3. The Union may initiate a position review by submitting a request in writing to the Committee. The Union's request will be accompanied by a written brief setting out the reasons why the Union maintains the position should be moved to a higher band level. The Union will provide the Committee with copies of all documents upon which the Union intends to rely.
4. The Committee will meet with the Union and the affected employee (or one employee from an affected group) to review the request and receive any supporting submission. JEC Committee meetings for this purpose will be scheduled for one half (1/2) day every two months. The Union Representative will not be from the classification which is the subject of the review.
5. The Committee will provide the Union with its determination in writing as to whether a significant change which is sufficient to move the position to a higher band level has occurred. The Committee's determination will be made in accordance with the principles of the Job Evaluation Plan and will include its decision and rationale. Under no circumstance will the response be later than the next scheduled JEC meeting.
6. Benchmark positions can be included in this Appendix, however, if a different rating to a benchmark position occurs,

the original rating and job description will still serve as the official benchmark to the job evaluation plan.

7. A review of the process under this Appendix will be conducted as part of the Employer and Union's discussions on the Job Evaluation Plan within Appendix F1 of this agreement, six months before the expiry of the contract.

EXPEDITED ARBITRATION PROCESS

A. OVERVIEW

The parties recognize that the constructive resolution of differences related to the interpretation, application, administration or alleged contravention of the Collective Agreement is to their advantage and to the benefit of the bargaining unit. The mediation/arbitration procedure is intended to afford both parties the opportunity to represent their interests and obtain prompt and practical results. Both parties agree that effective dispute resolution has the potential to not only strengthen the relationship between the Company and

the Union, but also to contribute to employee satisfaction, productivity and safety in the workplace.

B. MEDIATION - ARBITRATION PROCESS

Subject to a party's election under Article 13:12, grievances not resolved at Stage 2 of the grievance procedure will be resolved in the following Mediation - Arbitration process:

C. ISSUES IN DISPUTE

The Union will forward a brief summary of its case identifying particulars and any reliance authorities to the Employer and the Arbitrator at least ten (10) days in advance of the scheduled date of the mediation – arbitration. The Employer will respond in kind within five (5) days of receipt of the Union's summary. In reverse onus situations the Employer will provide its brief first and the above timelines shall apply.

D. MEDIATION

1. The mediation process is confidential and without prejudice. Confidentiality relates to any submissions, offers and settlement discussions between the parties and their representatives in the mediation process. The mediator may not discuss outside the mediation process any information disclosed in the course of the mediation.

2. The mediation sessions are settlement negotiations and are inadmissible in any litigation. Neither party will require the mediator to testify or produce records or notes in any further proceedings. No transcript will be kept of the mediation.
3. Statements made and documents produced in the mediation session, and not otherwise discoverable, are not subject to disclosure through discovery or any other process and are not admissible into evidence for any purpose, including impeaching credibility.
4. The mediator may determine the process to be followed. The mediator may meet with the parties individually or collectively. He may ask for additional information or documents. He may disclose any information provided by either party to the other party unless specifically requested not to do so by the party making the disclosure.
5. Neither party will introduce as evidence in subsequent proceedings any views expressed or suggestions made by the other party with respect to any settlement, nor any submissions or admissions made by the other party in the course of the mediation or the fact that a party had indicated a willingness to accept a proposal or recommendation for settlement made by the mediator.
6. The mediation process is a voluntary process. It continues to be voluntary throughout. It may be terminated at any time by either party.

7. The mediator shall prepare, or facilitate the preparation of, a written memorandum outlining any settlement reached by the parties and the memorandum will be signed by the parties (unless it is agreed that the terms of settlement may be recorded in a letter from the mediator and confirmed by the parties). Any Settlements or Minutes of Settlement shall be without prejudice unless specifically agreed by the parties to be without prejudice.
8. The mediator is an independent, impartial professional, and is not an agent or employee of either party. The mediator has no investment in any particular result of the mediation and is not paid based on any mediated settlement. The fees of the mediator will be shared equally by the parties, unless otherwise agreed.

E. ARBITRATION

1. In the event that the mediation is not successful, the parties, by mutual agreement, may proceed immediately in accordance with the following process. The Mediator in section “D” above will be the Arbitrator. GROUP HEALTH BENEFITS CONSOLIDATION

Effective January 1, 2014, *(to be validated with Sun Life)* all UNIFOR bargaining committee members will be consolidated into the former PSAC 0004 Group Health Benefits Plan (Plan # 056347), with the following exceptions:

1. The Accidental Death and Dismemberment benefit of the former CAW Local 2002 Group Health Benefits Plan will be included in the referenced consolidated plan;
2. A dispensing fee cap of \$10 will be included in the referenced consolidated plan;

3. The Dental Plan of the former Terminal 3 CAW Local 2002 Group Health Benefits Plan will be included in this referenced consolidated plan;
4. All Short Term Disability benefits will remain status quo for the individual groups but will not be consolidated into the referenced plan, however the short term disability coverage period shall not exceed the elimination period for LTD coverage. All other benefits for employees in these groups shall be based on the negotiated, consolidated benefits plan.

Employees who are part of one of the groups that currently are entitled to Short Term Disability coverage would be given a one-time option to transfer into the Sick Credit accumulation program as provided under Article 24:07 of this collective agreement. The option will be available until December 31, 2013, and if an employee makes an election to transfer, the decision shall not be reversible. The specific application of this option for the two affected employee groups within the bargaining unit is as follows:

- T3 employees formerly covered by the CAW Local 2002 collective agreement
 - Should these employees elect to transfer into the sick leave accrual under Article 24:07, they would immediately start to accrue sick leave credits in accordance with the terms and conditions in Article 24:07 of this agreement.

- Should these employees elect to retain their current Short Term Disability entitlement, their entitlement would continue to maintain the current level of coverage at 75% of their base rate of pay. However, the coverage period would be reduced from twenty-six (26) weeks to thirteen (13) weeks based the elimination period for Long Term Disability benefits. In addition, employees in this group that make this election shall retain their current entitlement to accrue sick leave credits on the basis of 8 hours per month.
- These employees shall retain all accrued, unused sick leave entitlements as of the date of ratification, irrespective of which option is selected.

- The “Inclusions”
 - Should these employees elect to transfer into the sick leave accrual protocol under Article 24:07, their initial sick bank would be set to fifteen (15) days (112.5 hours or 120 hours based on their standard hours of work) as they were previously not entitled to accrue sick credits during the course of their employment.
 - Should these employees elect to retain their current Short Term Disability entitlement, their entitlement would be reduced from their current sixteen (16) week entitlement based on the Non-Unionized

Short Term Disability Policy to thirteen (13) weeks based on the elimination period for Long Term Disability benefits. Their entitlement shall be determined based on the following table:

Length of Service	Duration of 100% Salary	Duration of 75% Salary
1 Year	2 Weeks	11 Weeks
2 Years	3 Weeks	10 Weeks
3 Years	4 Weeks	9 Weeks
4 Years	5 Weeks	8 Weeks
5 Years	8 Weeks	5 Weeks
6 Years	9 Weeks	4 Weeks
7 to 9 Years	10 Weeks	3 Weeks
10 or More Years	13 Weeks	Nil

5. A Co-ordination Option will be provided for Extended Health Care/Dental Benefits with the following parameters:
- There will be no cost to employees who select this option;
 - Employees who select the Co-ordination Option will be required to remain in it for a minimum of 12 months. The only exception to the 12-month minimum shall be if the

employee experiences a significant life event affecting their decision to opt for this coverage (i.e. loss of spousal benefit coverage, change in marital status, etc.);

- Coverage is comprised of: 20% reimbursement for Extended Health Care, 20% reimbursement for eligible preventative and basic dental procedures and 50% reimbursement for major orthodontic procedures; a \$500 annual Health Care Spending Account. All other benefits coverage shall be as per the consolidated plan.

6. A Mandatory Generic Substitution feature which limits the ingredient cost of a drug charge to that of the lowest cost alternative. Where there is a generic interchangeable drug (a generic equivalent), then the generic drug will be dispensed or the plan member will be reimbursed up to the cost of the generic equivalent (unless the physician indicates there can be no substitution for medical reasons and completes documentation to that effect).
7. Coverage will be maintained for any members who, as of the date of ratification:
 - are in receipt of drugs that are not included under the PSAC 004 plan
 - are in receipt of nursing home and/or chronic care hospital coverage and are currently in care.
